The upcoming Christmas donations were discussed and with the industry where it is we probably won't be able to give out as much. As money is tight this year, the board will need to look at all the organizations and see what we can do. Our first priority is the scholarships. The board will announce their proposal for donations at the November meeting.

The API received a couple of cards thanking us for the new scholarships.

Nominations took place at the October meeting. We will be electing new officers and three new board members. Dwayne expressed the need to get new people involved and in office. The board positions are for two years and the officers are for one year. Anyone wishing to serve as either an officer or board member need to contact a member of the current board.

There was no old business or new business. There was no general discussion.

The next meeting will be November 8th.
